Pornstar Wrestling

Artikel info:-

In this fight Moe has to assert himself against a hot porn star from the USA. His name is James Jacobs and he is visiting Berlin. Since he is not only into sex but also into wrestling, which was even a subject in high school, the Fightplace studio was a MUST on his to-do list. After a short greeting, Moe speaks no English anyway and James no German, they quickly go to the mats. There it becomes apparent that James already has wrestling experience. With skilful tricks and a very well trained body, and therefore a lot of power, he makes Moe give up already in the first round. In the second round the fight becomes tougher and James takes revenge on Moe for the wedgies Moe inflicted on him in the first round. But James goes even harder. Wedgies combined with bear hugs, ball slapping and grabbing, he's got it and knows how to bully his opponent. Plus the steely body, much to Moe's chagrin. Moe has to submit to his opponent's dominance, but still doesn't give in, gets back up after every down and provokes anew. James loves the game of "give and take wrestling", letting his opponent get close, giving him the feeling of getting a chance, only to prove him wrong shortly afterwards. Then he lets out his dominant, tough side and shows the underdog who is the macho in the ring. To underline his superiority, he likes to sit on the loser's face and humiliate him with his feet. For Moe it was a clear defeat, but he is one experience richer. Namely that gay porn stars can also be very good and tough fighters.
