Pornstar Wrestling 2

Artikel info:-

Sexy Draco makes a good start in his debut fight at Fightplace. Dominant, aggressive and with some good tricks, he demands a lot from Moe. Especially Moe's backside seems to please him very much. He kneads, pinches and spansks it until Moe is almost in tears. But Moe is not spared "in front" either. In several long schoolboy pins, Draco really measures him up. On top it hails back punches, on the bottom CBT. It looks like Moe will have to throw in the towel against this porn star. But it's not until the end that we find out who wins this sweaty, hot fight. Before that there is a lot to see, because both fighters are very agile, fight agilely and use arms, legs and feet to perfection. Moreover, both are not afraid of attacks that painfully go between the legs.
