Christmas Contest 2022 IV

Artikel info:-

In the 4th and last part of our 2022 Christmas series, things heat up again, even if not as hard as in the 3rd part.

Moe is furious with Nicky. The brat has secretly stolen Moe's Christmas shorts.

Moe actually likes Nicky, so he invites him to his studio for a cosy pre-Christmas drink.

But now this.

Quite angry at Nicky, he grabs him and drives him next door to the fight room to give him the punishment he

needs.

Moe puts his "bitch" through the wringer right from the start.

With headlock, bodyscissor and a violent wedgie he puts Nicky in his place.

But in this fight you can see very well that Nicky learns from fight to fight and thus becomes better and stronger.

He is now able to stand up to his opponent much more often and even gets him under control sometimes.

But of course he can't get around Moe without the necessary punishment.

Nicky gets his bottom spanked.

But he doesn't take it for granted anymore and takes revenge on Moe with the same means.

Very nice to see in the second round, where Nicky can even dominate his opponent a few times

and keeps him at bay with ball grabs.

Both fighters step it up a notch in the second round.

And also in the last and third round Moe clearly notices that his opponent is getting better and better.

Easy game, as at the beginning of Nicky's fighting career, now seems to be over.

Moe has to be careful that Nicky doesn't gain the upper hand.
