Conflict Combat 2 - (Tied up and gagged)

Artikel info:-

In the sequel to the first part, the three boys show that things can get a bit harder.

Moe grabs Finn again to show him clearly who is the king.

After Finn is completely at the end of his tether, Moe once again sends MasterKush to the mats,

in the hope that MasterKush can now defeat the rather exhausted Finn.

But once again it doesn't work out and Finn wins over MasterKush.

Moe is so disappointed in MasterKush that he decides to punish him.

MasterKush is tied up and gagged with tape.

MasterKush is helplessly at the boys' mercy.

Now Finn also gets involved and enjoys torturing MasterKush.

Play length approx 39 min.
