Artikel info:-

Deathman (18) has been given the key to the training room by Jamie. As a new fighter, he first has to familiarise himself with the gym and train on the punching bag. After a while, he wants to get some fresh air and leaves the gym without locking up. In the meantime, Moe arrives at the gym and is naturally surprised to find the gym open and no one there to be found. Quite irritated, he sets off in search of the person responsible. The culprit is quickly found, as Deathman is on his way back to the studio. Moe immediately confronts him, but the newcomer reacts cheekily instead of sympathetically. Moe realises that the boy needs an education! Deathman has no idea who he's messing with. He thinks Moe is a small loudmouth who has little chance against him due to his smaller size. But after the start in the boxing ring, he quickly realises what he will face if he doesn't use all his power against this tricky and fast boy. With his dreaded leg scissors, Moe repeatedly takes control of Deathman. There he makes him squirm and educates him with many mean means. But Deathman also has something up his sleeve and returns the favour to Moe with wedgies and ass-slapping. But as we all know, such actions only make Moe even wilder. He strips Deathman down to his underwear, uses him as a surfboard and tortures him with muscle rides. But that's not all, because Deathman gets to experience Moe's full range of tricks. Sniffing shoes, socks and of course Moe's balls when he sits on him in a schoolboy pin. Where Moe certainly wasn't expecting it: Deathman continues to be steady and sassy to the end. But the end is tough for Deathman. He is led around the ring like a dog. A tough start to the fighter business for Deathman, but one that he overcame with flying colours.
