Team Training 3 - Part Two

Artikel info:-

In the second part of this fight evening, Moe takes on Jamie again.

And now things get a little harder and kinkier.

Moe is on top form and subjects Jamie to a real ordeal.

With hot schoolboy pins and so-called cockcuffs, CBT and a few foot attacks, he shows Jamie who's boss in the ring.

Jamie tears Moe's trousers with rage, but Moe remains unimpressed and fights all the harder and nastier. He wears Jamie down with facesitting, slaps and a few good moves.

After a while, Jizzy takes over from his colleague Moe. Jizzy now has to prove himself in the ring for the first time and show what he can do. And he does so with flying colours, because Jamie has no chance against him.

Jizzy shows in his own way how he deals with opponents on the mat. Fast, agile and mega tricky, he gets Jamie into positions from which there is no escape. The ordeal against Jamie takes its course, now in the hard, sporty way.

Jizzy retires after winning the match and now Moe, Jamie and Deathman come into play again in the final segment.

Deathman interferes after Moe starts to completely tear Jamie apart again.

Revenge is sweet and hard! Jamie and Deathman now do to Moe what he did to them before.

And on top of that, Moe is not only completely stripped in this 2 vs. 1 match but has to submit to his opponents to avoid worse.

Poor Moe!
