Motel Mat Room 4

Artikel info:-

It's carnival season, and the brothers Migel and Samuel, who are new to Fightplace, are about to try on their costumes in their nice hotel room. But when they start checking out the Venetian masks, they get into an argument. As it's usual amongst brothers, neither of them wants to back down. Quite the contrary: They have at each other, and a hot fight between them breaks out in the hotel room, which fortunately is big enough for their battle. Everything in it gets put to use; the bed and the carpet floor serve as their ring. As their fight gets more intense, they start tugging at each other's slips until they break. Ballgrabs and cock grabs ensue. Both fighters prove in this match that they already have lots of experience in wrestling, and that they're capable of applying many tricks. There's nice moves and hot wrestling action for you to see. But we're not telling here which of the two brothers wins the match.

Play length approx: 51 min.
