Pizza service

Artikel info:-

Basti and Sami (who is new on the team) order a pizza. Before ordering, they agree to start an argument with the delivery service to let off some steam on the mats. Instantly, the pizza is delivered at the front door. Basti pretends to have ordered something else and curses at the delivery man (called Jay) nastily. The two of them clash so violently that Basti drags Jay into the room laid-out with mats. They directly start scuffling. Jay and Basti are about of the same strength and height, what prolongs the time the put their strengths against one another hard and tenaciously. At last, they start missing Jay at the pizza service and so they send out his workmate Gustel to look for him. Having arrived at Bastis apartment, he gets involved into the fight right away and competes with Basti. Basti really is a very tough and well trained boy who gives everything and pegs away until he gains a victory. He is especially fond of his leg scissors and applies them with all his strength against his opponent. Gustel also has to suffer from them and can only strike back at Basti using mean tricks as wedgies and ballgrabs. The story continues as if it was a tournament. Later, Jeff, who lives in the apartment below Basti, also joins in, as he cannot sleep due to the noise coming from Bastis apartment. He takes everyone on and is forced to compete with all of them. Some of the fights are quite hard, especially when Basti, Jeff, and Jay are fighting. Nothing is set up and the movie is ideal for friends of wedgies and scissors of any kind.
