Privat Battle 3

Cat-Nr: PB3 Privat Battle 3

Artikel info:-

Fightplace continues with the third part of the popular " Private Battle Series" in which it is always about two fighters delivering their " private" fight, completely without spectators or other participants. In the third part Danny and Lukas meet meet in the afternoon in the park and talk about the past few days. Danny mentions the fight " Lukas versus Flo" in which Lukas lost. Lukas is disagreeable because of this and wants to prove to Danny that, nevertheless, he is stronger than Danny believes. They go to the training space and immediately start full on action. This time of course Lukas also tries to assert himself with not quite fair tricks (e.g. ball grabs) against Danny. Lukas must, however also take something, because Danny replies with Wedgies and hard Scissors. A quite well-balanced fight in which both fighters give everything.
